## Understanding courage

This set of teaching activities looks at the importance of having courage.

1. (Whole class) Brainstorm COURAGE for keywords
2. (OPTION) Use relevant video of courageous moment (from film) say the Colour Purple, Mississippi Burning or Cry Freedom
3. (Whole class) Students find news clipping or Internet story on courageous activity.
4. (In pairs) Students prepare a few words of introduction to the piece in front of the class.
5. (In pairs) Students discuss courage: where it comes from, levels of courage, own levels of courage
6. (Whole class) Discuss own or others levels of courage. Each other's courage is an ideal objective.
7. (Individual task) Using the keywords Students write a short story or poem based on their own experience and valuing of courage.
8. Plenary on COURAGE
